David,

It looks like Daryl added a few of Jim's comments. I thought they were staying away from the subdrain talk, however I don't see a ton of issues with the additions. Would you please have your team take a look and let me know if you agree with the additions. (im not sure about the pumped water in the subdrain addition).

Thanks,

Nikia,

I have reviewed the RFC and draft comment letter. Attached is the draft CL with suggested redline additions.

Thank you,  
Daryl
